Pioneer Clubs is a Christ-centered

program for children age 2 through 5th grade that helps children learn about God's love, Christian values, and applying Scripture to everyday life. We have gotten off to a great start! The children are enjoying the new curriculum and are anxious to start collecting their badges. It is not too late to enroll your child for club, and we are still accepting sponsorships of \$25.

If you have any questions, please contact Kelly Carter, Pioneer Clubs Coordinator (244-3661) or stop by the Children's education opening area on Wednesday nights from 6-7 pm to check us out.

Day School Supports Compassion Child

As our school learns to serve God and give with thanks for our blessings, we are very excited to use our offering money this year to support Axel. He lives at one of the Compassion projects that Holy Cross supports and visits in Honduras.

The first and second grade classes write to Axel, and all of the students pray for him and his family. The children faithfully bring in their money. Thanks to some help from others, we are already fully funded this year. We are now able to add a second child for Kindergarten to write

Pioneer Club and Sunday School Registration Cards

Registration cards for students through 8th grade for Sunday School and Pioneer Clubs (through 5th grade) are available at the Children's Ministry Bulletin Board #12, the Sunday School Registration table and the Ministry Center.

You may sign up for Sunday School and Pioneer Club on one form. More Children's Ministries information is also at Bulletin Board #12, by the nursery.

Sunday School is off to a great start, however we still are still in need of assistants.

Can you help? We are looking for youth and adults to serve as assistants in our Sunday School rooms even if only for 1 Sunday a month. We would ask that you have already gone through the child protection training; but if you haven't gone through training, we will surely offer a class for you. Please contact Gigi Morley, Sunday School Coordinator.

Sunday School Servant Project

Our monthly Sunday school servant project is to provide much-needed food for our Bread of Life Food Pantry. The item for October is **CANNED FRUIT**. As always, though, any donation is appreciated. Please place donated items in the tub outside our food pantry.

to. We are also learning about Honduras. One of our favorite activities has been learning the chorus of 'Jesus Loves Me' in Spanish. We can't wait for our first letter from Axel! Look for more updates as the year goes on.
