### Has Someone Given You a Call?

If you been away from worship a few weeks, you may have received a phone call from someone who is helping us stay in contact with our members so we can care for you and keep up-to-date on illnesses, hospitalizations, or other challenges that might cause you to miss worship. The pew cards help us know which people to call; so when you're here, please fill out a card. If you are absent from worship for a few weeks, you will probably get a phone call. We care about you and don't want to miss out on ministering to you in a time of need.
